OFFICE OF THE GENERAL MANAGER, GOVERNMENT SANDALWOOD OIL FACTORY, SHIMOGA (SOUTH INDIA).

Auction Sale Notification dated 31st December 1968.

It is notified for the information of the public that the cinders and ash that would be removed from the boilers of this factory during the official year 1969 70 will be sold in by Public Auction on 6th February 1969 (Sixth February 1969) at 10-00 a.m at the premises of the Government Sandalwood Oil Factory, Shimoga subject to the following terms and conditions :—

1 Each bidder must deposit Rs. 100 (Rs. one hundred) only in cash towards earnest money, separately for each item for (1) Cinders and (2) ash at the office of the General Manager, Government Sandalwood Oil Factory, Shimoga.

2 Each item of boiler cinders and ash will be sold in Public Auction separately.

3 Intending participants may inspect the spot at the premises of the factory during working hours.

4 The authority competent to auction the cinders and ash reserves the right to reject any bid without assigning any reason whatsoever.

5 The material that will be collected will be sold in " as is and where is basis "

6 The successfull bidder will have to pay the full amount of the bid immediately after the sale is confirmed in his favour.

7 The successful bidder should make his own arrangements for filling and transporting the ash and cinders out of the factory with his own equipment.

8 The successful bidder should remove the material only through the main gate of the factory and the same are subject to check by the officers authorised by the General Manager or by the Watchman.

9 It is the sole responsibility of the successful bidder to collect the material that is rejected by the factory. The men so engaged for the work will have to work as per rules and discipline of the factory.

10 Any material not removed at the end of the official year will lapse to the factory.

11 In the event of the successful bidder not paying the amount, the amount already paid towards, the deposit will be forfeited and the cinders and ash collections will be re-auctioned. If there is any profit in the re-sale, the defaulting bidder will have no claim over it but on the other hand, if there is any loss in the re-sale the amount of loss will be recovered from him as arrears of land revenue.

12 The acceptance of highest bid for each item is subject to the final approval of the Director of Sandalwood Oil Factories, Bangalore, who will reserve the right to refuse acceptance. If the price is not favourable.

13 The amount deposited by the unsuccessful bidders will be returned immediately after the sale is concluded.

14 The successful bidder, should not give room to stock the collected material in our yard, by means of acquiring our yard for the purpose.

15 The successful bidder should clear the entire stock collected by him once in a month and clean the yard along with its surrounding areas and drain. Otherwise, the factory authorities will take up proper action in this regard at the cost of the purchaser.

16 For collection of cinder successful bidder should not give room for spreading ash. He should make his own arrangement as a safty measure.

P 532 B. PUTTASWAMY, *General Manager.*

OFFICE OF THE GENERAL MANAGER, GOVERNMENT SANDALWOOD OIL FACTORY, MYSORE-4.

Notification dated 17th December 1968.

Sub.—Detailed Tender Notification No. F. 26/P/1969-1970, for unloading the steam coal from the wagons, etc., due at 4-30 P.M. on Thursday the 23rd January 1969.

Ref. No. F. 26/P. Sealed Tenders are invited for taking up contract works relating to the unloading the Coal, Firewood, etc., from the Railway Wagons at the Railway Siding of the Government Sandalwood Oil Factory, Mysore-4, and the Transport of the above materials to the Boilers and Stores at the Factory and also for splitting firewood to the sizes specified for use of Boilers of the Factory during the Official year 1969-1970.

2 Intending tenderers are required to specify the rates per Metric Tonnes (1,000 Kgs.) separately for each item mentioned in the schedule to this notification.

3 Tenders will be received at the Factory Office up to 4 P.M. on Thursday the 23rd January 1969, which will be opened at 4-35 P.M. on the same day in presence of the tenderers who will then be present.

4 Tenders should be sent in sealed covers and the full postal address of the tenderers should be furnished in the tender. An Earnest Money Deposit of Rs 500 (Rs. Five Hundered) only should be paid at the Factory Office before the date and time specified viz., 4 P.M. on Thursday the 23rd January 1969 and the receipt therefor obtained from the General Manager of the Factory should be indicated in the tender Cheques will not be accepted for the earnest money referred to above and request for adjustment of any amount that might be due by the Government to the tenderer on any other account will not be entertained. Tenders for which no earnest money deposit is paid and which are not received before the stipulated time will not be considered. The tenderers may, if they desire, be present in person on the date of opening the tenders.

5 The Director, Government Sandalwood Oil Factories, Bangalore is at liberty to accept or reject any tender without assigning any reason therefor and his decision is final. No complaint of the tenderer in this behalf will be considered. The Director reserves the right of entrusting

the items of work to the party or separately to more than one contract according to his discretion. Reasons will not be furnished for objection of any tender.

6 Every tenderer should quote the rates for each item both in words and figures and tenders containing corrections of any kind without attestation will not be considered. If corrections are necessary, they should be clear and be duly attested by the tenderer with his full signature and date.

7 The tenderer whose tender is accepted by the Management should within one week from the date of intimation of acceptance of the tender pay a sum of Rs. 2,000 (Rs. Two thousand only) in case the Solvency Certificate to the value of Rs. 5,000 is not produced. In case of production of solvency the deposit will be Rs 1,000 (Rs. One Thousand) only in cash only. as Security Deposit to the Factory Office for the due fulfillme t of the terms of contract and should execute the necessary agreement on a stamped paper of the value of Rs. 2 25 P only. incorporating all the terms and conditions that the management requires. He should also start work by the date fixed by the Management. If the tenderer fails to comply with any of the requirements mentioned above. the contract may be treated as cancelled at the option of the Director, Government Sandalwood Oil Factories, Bangalore and the earnest money deposit and also the Security Deposit paid by the tenderer are liable to be forfeited to Government. The Director, Government Sandalwood Oil Factories, Bangalore reserves the right to re-tender the work and the loss incurred by the Management thereby if any will be recovered by the Management from the defaulting tenderer as arrears of land revenue. The tender r is not entitled to any profit arising from re-tendering the work.

8 Intending tenderers should attach the Solvency Certificate and also the Sales-Tax and Income-Tax Clearance Certificates to the tender. The Solvency Certificate should be one issued by an Officer not below the rank of Tahsildar of the place. The Solvency Certificate should be one issued within a period of three months prior to the date of the tenders. The Income-Tax and Sales Tax Clearance Certificates should relate to the latest period. If the Solvency Certificate referred to above is not attached to the tender. the tender will be liable to be rejected. If on account of any special difficulties the Sales-Tax and Income-Tax Clearance Certificates are not produced along with the tender, some time not exceeding one week from the acceptance of tender may be allowed by the Management to the succesful tenderer to produce the above certificates before he is entrusted with the work. If he fails to produce them, deposit paid by the said contractor for those tenders will be forfeited to Government and his case will not be considered for the grant of the contract under the tender. In such an event the Management will be at liberty to get the work done in any manner at their discretion and make the defaulting tenderer liable for any loss which may occur to the Factory on account of the default.

9 The tenderer whose tender is accepted by the Management and who has executed the necessary agreement referred to in Para 7 above, should arrange to unload the coal and firewood according to instructions issued by the General Manager, Government Sandolwood Oil Factory, Mysore. He should see that the Factory work does not suffer and/or that no loss occurs to the Factory by delay on his part in unloading and transport. In case timely arrangements are not made by the contractor for unloading Railway Wagons and for the transport of coal and firewood to the Factory, and coal and firewood are allowed to accumulate at the Railway siding and the Management finds it necessary to clear the coal and firewood from the Railway siding by making alternate arrangement, the expenditure incurred by the Management on this account will be recovered from the Contractor. The amount will be charged to his account and will be deducted out of the amounts of the bill preferred by the Contractor for work done. If the Contractor's work is found to be unsatisfactory, the Management reserves the right to cancel the contract and to enforce the penal clause of forfeiting the earnest money deposit and security deposit and recovery of loss sustained by the Management as stipulated in para 7 of the notification.

10 Sales-Tax or any other tax that may have to be paid in connection with these contracts should be borne and paid by the Contractor himself.

11 Employers' special contribution payable to the State Insurance Corporation will be recovered by the Management from the Contractor out of the bills for work done and preferred by him on the factory.

12 No application for enhancement of the rates once tendered for and accepted will be entertained.

13 The approved contractor will have no right to transfer the contract or to sublet the same to any other party.

14 The Management does not take the responsibility for providing work to the contractor throught the year and the work required to be carried out by the Contractor may vary according to circumstances at the discretion of the Management.

15 The successful tenderer should carry out the work without causing inconvenience to the Factory work. The men engaged by the contractors on this work in the Factory premises will have to work in conformity with the rules and discipline of the Factory Contractor shall be held responsible for any damage to the Factory property caused by himself or by his workmen.

16 The Contractor whose tender is accepted has to pay the compensation to the disabled workmen working under him for any injury or death caused for or occurred during the execution of this work, failing which such amount as is prescribed under the Workmen's Compensation Act will be deducted from the bills and paid to the injured or to the legal heirs of the deceased through the authorities concerned.

17 The Management will in no way, be responsible for any damage or loss which may occur to the porperty of the contractor or his employess' accident or injury caused to the Contractor, his agents or employees during the course of the performances of the contract, and no compensation will arise therefrom.
